

ATTENTION ALL ARTISTS

The City of Gulf Shores, the Coastal Alabama Business Chamber, and the Gulf Coast Arts Alliance are proud to announce an exciting opportunity for local artists to showcase their work through the new Turtle Tracks™ Art on Parade program.

Turtle Tracks™ is a public art project dedicated to the awareness and support of environmental conservation, sustainable tourism, and community arts and culture, while enhancing the quality of life along Coastal Alabama.

All local artists are invited to participate by submitting original designs for the first bale of turtles to be released in 2015. Up to ten of the submitted designs will be selected and applied to the first bale of turtles with a \$500 award for each design chosen. Winning designs will be revealed at an unveiling celebration on March 6, 2015.

All turtle designs must be submitted no later than **November 26, 2014**. No designs will be accepted after this date. Artists will not be required to paint or furnish materials to complete the final production of the turtles.

Please fill out the application attached if you are interested in participating.
